Since 2015, Kyle has been a valuable member of the Pivot CPAs team. He joined the firm as an intern, then worked his way up through the ranks, serving as assurance staff and assurance senior before stepping into his current role, assurance manager. In this capacity, he specializes in performing audit and attestation engagements for a variety of clients. He works primarily with clients in the construction, manufacturing, and distribution industries.

An organized and experienced professional, Kyle credits his career success to a combination of hard work and dedication. While in school, he was a member of Beta Alpha Psi, was named to the Dean's List, and earned straight As the entire time he was studying for his Master's degree.

Raised in Jacksonville, Kyle continues to live there today. He and his wife, Amy, live at the beach with their two dogs, Penny and Eli. Kyle loves that he lives in a place where he can relax on the weekends. In his free time, he likes to play guitar, barbeque and do woodworking.
