Amy joined Pivot CPAs in 2013 and currently serves as a manager in the firm's Tax Department. She works primarily with small businesses and individuals, preparing tax returns, providing tax planning and tax compliance services, and managing client relationships and expectations.

A sincere professional, Amy's colleagues appreciate her for her devotion to the team. Amy attributes her career success to situations that force her out of her comfort zone, helping her grow as a person and an accounting professional. Amy's favorite quote is, "Start where you are, use what you have, do what you can."

A life-long resident of Florida, Amy loves that she still lives near her family. She also enjoys being close to the river and the beach. Amy is an avid Jacksonville Jaguars fan and has been a season ticket holder with her family since 1995. She loves reading, boating, and spending time with family and friends - especially her six nephews and her daughter, Ava.
